Reviews

These kinds of publication is every little thing and got me to looking forward and a lot more. It is really basic but unexpected situations in the fifty percent in the ebook. You may like how the writer compose this pdf.
(Ms. Aubrey Beahan DVM)

THE STAR TREK BOOK OF OPPOSITES

Quirk Books. Board book. Book Condition: new. BRAND NEW, The Star Trek Book of Opposites, David Borgenicht, Is your child leaving baby-talk behind and beginning to explore strange new words? Or are you simply a Trekkie who needs a goofy gift for a fellow-fan friend? "The Star Trek Book of Opposites" will transport you together to an exciting voyage of silly educational fun, pairing up colorful photographs of "Star Trek's" classic heroes and aliens to introduce the concept of opposites through immediate visual humor. Our first children's book hits exactly that sweet spot Quirk is so good at, blending sincere educational helpfulness with a sly grin. Just like "Star Trek" itself, it walks that fine line between earnest and campy. And it's the perfect time to take advantage of the recent resurgent interest in Classic Trek! With a hip, up-market design sensibility, "The Star Trek Book of Opposites" will make a great, kitschy gift for any Star Trek fan, with or without children.
