Hay House UK Ltd, United Kingdom, 2011. Paperback. Condition: New. Language: English . Brand New Book. Many of us have questions about the passage of life and often wonder what happens when we die. In this amazingly insightful book by medium/clairvoyant Lisa Williams, evidence of the afterlife is explored. Through various channels such as meditation, psychic readings, communication with her Spirit Guide and a personal near-death experience, Lisa delves into the journey of the soul, discusses the different stages of the afterlife, and reveals what life is really like on the other side. This book addresses the myriad questions many of us have surrounding this subject, especially if we ve gone through the painful experience of having lost loved ones. Lisa provides a reassuring glimpse into this fascinating topic by exploring the pathway to the afterlife and then to reincarnation; with the realisation that death is not final, but rather a transition into the world beyond - a place that should be honoured, not feared.
