ATLANTIC BOOKS, United Kingdom, 2012. Hardback. Condition: New. Main. Language: English . Brand New Book. In a coastline as long and diverse as India s, fish inhabit the heart of many worlds - food of course, but also culture, commerce, sport, history and society. Journeying along the edges of the peninsula, Samanth Subramanian delivers a kaleidoscope of extraordinary stories. Following Fish conducts rich journalistic investigations of, among others, the use of fish to treat asthmatics in Hyderabad; of the preparation and the process of eating West Bengal s prized hilsa; of the ancient art of building fishing boats in Gujarat; of the fiery cuisine and the singular spirit of Kerala s toddy shops; of the food and the lives of Mumbai s first peoples; of the history of an old Catholic fishing community in Tamil Nadu; and of the hunt for the world s fastest fish near Goa. Pulsating with pleasure, adventure and discovery, and tempered by nostalgia and loss, Following Fish reveals a series of unknown Indias in a book as revealing of the subcontinent as any three times its length.
