Reviews

I actually started out looking at this publication. It normally is not going to cost too much. I am just happy to let you know that this is basically the finest publication i have got read through within my very own life and may be he very best publication for possibly.
(Karelle Rippin)

CAPTURED SILHOUETTES (PAPERBACK)**DOWNLOAD**

iUniverse, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. In Captured Silhouettes, Stacy praises nature and pure love; she talks about existence and death, dreams and motherhood, and proclaims what she cherishes the most. She will foster qualities held captive in the seemingly featureless space within the outline of a silhouette. She will place questions into the reader's mind until the reader becomes the hero of her captive narrative. My story continues breathing day by day, but have I positively impacted reality in any way? Motherhood was the gift that I cherished the most; am I now done with milestones after being the host? . And when the mind is troubled and questions, Stacy carefully conveys it to a fair end, an epic end for a short prose. Quietness muffles hardened voices, a gesture of calming capturing silhouettes in a concentration of existing; still. - Halkios, Author, The Diary of an Angel.
