No Free Lunch--Pay Back Welfare!!!: A Unique Idea to Provide a Great Us Safety-Net and Put Taxpayers First (Paperback)

By Brian W Kelly

Lets Go Publish!, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. President Bush and President Obama both agreed that a database of health records needed to be established on behalf of the people. It is a good idea. There needs to be a record of each citizen in the United States so that it will be much easier to get a full picture of a patient in any medical provider setting from doctor s offices, laboratories, imaging, and other specialties. Dollars owed by all can also be kept in the database. Most Americans are aware of the major battle on health insurance and healthcare reform as in Obamacare, after seven years, continues in the Halls of Congress. A Democratic Congress and the former POTUS decided by themselves to spend a trillion dollars on a government take-over of healthcare in 2010. They knew it would possibly improve the lives of just 17 of the people and seven years later the number has not been achieved as just 10 million in total are signed up. Obamacare usage is so insignificant, it should be on nobody s agenda. When the bill passed, Congress willfully disrupted the...
