Introductory Lectures on Aesthetics

By G. W. F. Hegel, Michael Inwood, Bernard Bosanquet, Michael Inwood, Michael Inwood

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Introductory Lectures on Aesthetics, G. W. F. Hegel, Michael Inwood, Bernard Bosanquet, Michael Inwood, Michael Inwood, No philosopher has held a higher opinion of art than Hegel, yet nor was any so profoundly pessimistic about its prospects despite living in the German golden age of Goethe, Mozart and Schiller. For if the artists of classical Greece could find the perfect fusion of content and form, modernity faced complicating and ultimately disabling questions. Christianity, with its code of unworldliness, had compromised the immediacy of man's relationship with reality, and ironic detachment had alienated him from his deepest feelings. Hegel's "Introductory Lectures on Aesthetics" were delivered in Berlin in the 1820s and stand today as a passionately argued work that challenged the ability of art to respond to the modern world.

Reviews

A top quality ebook and the typeface used was interesting to learn. This can be for all who state that there had not been a well worth reading through. I am just pleased to tell you that this is basically the very best ebook i actually have go through in my individual life and can be he finest book for at any time.
