Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The twenty-first century continues to throw up one amazing thing after another, and we are the poor souls who have to learn to cope with it. But it s not much fun being with someone who keeps throwing up, so we need to seek solace in something else - drugs, drink, disastrous relationships, or even appalling poetry. If a general sense of humour, intolerance, amazement and confusion is what floats your boat, then this book is the one for you. If not - well thanks for looking anyway. It is said that to the man with a large hammer, every problem is a nail. These verses are my hammer.
