THE GREEN AND VIRTUAL DATA CENTER (HARDBACK)

Taylor Francis Ltd, United Kingdom, 2009. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Green and Virtual Data Center sets aside the political aspects of what is or is not considered green to instead focus on the opportunities for organizations that want to sustain environmentally-friendly economical growth. If you are willing to believe that IT infrastructure resources deployed in a highly virtualized manner can be combined with other technologies to achieve simplified and cost-effective...

Reviews

I actually started off reading this article ebook. It is writter in simple phrases instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.
-- Dessie Witting

Absolutely among the best publication I have at any time go through. It is definitely basic but shocks from the 50 % of the book. I discovered this book from my i and dad advised this publication to find out.
