Reviews

Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

ONE LIGHT, ONE SPIRIT: A GUIDE FOR TRANSFORMED LIVING (PAPERBACK)**DOWNLOAD**

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Although the sun is the source of life on Earth, we cannot observe its radiance directly because of the damage it would cause our eyes. However, when safely seen through a prism, sunrays dazzle with their brilliant colors, from brightest yellow to deepest purple - a rainbow in miniature form. Religions are like that. Just as the one light reveals many colors, so the one Spirit animates a wide variety of religions, resulting in different spiritual colorations or vibratory tones. We can interpret this to mean that each religion has a certain mission and purpose to fulfill with respect to the people to whom its teachings are initially given. In a word, there is no false religion, just as a foreign tongue is not a false language, a different route is not a false pathway and a blooming weed is not a false flower. Based on such knowing, elevating one religion over another would be equivalent to saying that one color is more true than others. To insist that only one color of the entire palette is genuine places a terrible limitation on the creative powers of Life. To do so is, in fact, a serious misinterpretation of the Divine. Rather, the great Mystery, the unbroken Wholeness, the inseparable Oneness is the underlying reality of all religions. And each religion is an opportunity for transforming lives. And every one of them can guide us back to the abode of Love from which we originated - a place, according to T.S. Eliot's famous phrase, that will be truly known to us only when we complete the great cycle, with no limits placed on the time required. Meanwhile, with Oneness as...
