## XENOPOCALYPSE

Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Xenopocalypse is a Supplement for The Cursed RPG, a fantasy Role-playing game devised by Michael Evans. The Cursed RPG was originally set in modern society, focusing on those individuals cursed with a glimpse at the secrets that hide in the shadows. Thus endowed with greater power, these individuals understand just how precarious their existence is and how little they can do about it. The Cursed RPG is therefore a tale of distinctly abnormal people struggling to live normal lives. Not so with Xenopocalypse. In this supplement, the secrecy that the Cursed individuals have come to rely upon has been ripped away by the Invasion. The Alpha-Draconians, large reptilian aliens with an extensive history of successful conquests to their name, have finally gotten round to invading Earth. It turns out that they have bitten off a bit more than they can chew, especially once the Illuminati get involved. Once the Illuminati announced themselves, they dragged the Cursed out of the shadows and into the light, along with all the other supernatural nasties. Make no mistake, reader, there are things that go bump in the night. This time, however, they are bumping on our side. Xenopocalypse lets you take your Cursed RPG characters and plunge them into the world's first truly global invasion. Forget about trying to win. Let the Alpha-Draconians worry about that. Your goal is much simpler. Survival.
