## Horsemen of the Trumpocalypse: A Field Guide to the Most Dangerous People in America (Paperback)

By John Nichols

INGRAM PUBLISHER SERVICES US, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Donald Trump is putting together the most dangerous cabinet in history. Showing no inclination toward moderation, tolerance or genuine bipartisanship, he has assembled a team that is backed with billionaires, CEOs, rigid ideologues and a rogue s gallery of white nationalists, alt-right hatemongers, voter-suppression schemers, immigrant bashers and climate-change deniers. The people Trump is bringing into his inner circle and handing positions of immense authority make no secret of their determination to impose an uncompromising and ultimately unworkable conservative agenda on a country where most Americans did not vote for Donald Trump or the Congress that will advance his policies. The Trump team, consisting of famously controversial figures and little-known but potentially even more dangerous mandarins, may not have mandate. But it will have the power to remake American foreign policy, redistribute wealth upward and suppress wages, destroy unions, dismantle Medicare and Medicaid, undermine abortion rights and affirmative action, privatize and voucherize education, make health care a privilege rather than a right and create a climate of fear and intimidation for immigrants, refugees, religious and racial minorities and Americans who dare to dissent. This...
