Starscape, United States, 2017. Hardback. Condition: New. Language: English . Brand New Book. Frank M. Robinson (1926-2014) accomplished a great deal in his long life, working in magazine publishing, including a stint for Playboy, and writing science fiction novels such as *The Power*, *The Dark Beyond the Stars*, and thrillers such as *The Glass Inferno* (filmed as *The Towering Inferno*). Robinson also passionately engaged in politics, fighting for gay rights, and most famously writing speeches for his good friend Harvey Milk in San Francisco. This deeply personal autobiography explains the life of one gay man over eight decades in America and contains personal photos. By turns witty, charming, and poignant, this memoir grants insights into Robinson's work not just as a journalist and writer, but as a gay man navigating the often perilous social landscape of twentieth-century life in the United States. The bedrock sincerity and painful honesty with which he describes this life makes *Not So Good a Gay Man* compelling reading.
