Y Reid, Read Before the Montreal Local Council, Received by the National Executive, and Ordered to Be Printed Migration. Of unemployment includes among 1125 many elements the great problem of rural migration. That factors, besides lack of work help to feed the constant stream of population which flows from city to town is of course admitted. The superior attractions, offered by the town in diversity, conditions and remuneration of employment as well as in social amenities, certainly account for no small portion of the rural exodus, but if those on the land had plenty to do and a decent return for doing it, the overgrowth of our towns would speedily receive a salutary check. In Switzerland rural migration is counter Swiss House acted in some degree by a remarkable system of house industries, which, while in a measure a survival of a primitive form of production, still plays a most important part in the economic life of the nation. In the census of 1888 over men and women or 73 per cent. Of the total workers...
