SIX MORNINGS ON SANIBEL

Indigo Press, LC (FL). Paperback. Book Condition: New. Paperback. 224 pages. Dimensions: 9.0in. x 6.0in. x 0.5in. Six Mornings on Sanibel is a moving story for readers of all ages. Two unlikely men meet one morning at the fishing pier on Sanibel Island in Florida. Over the course of the next six mornings, they share more than just snook runs and cold Cokes. Richard Evans is an over weight, stressed out divorce attorney who measures his success by how much money he can manipulate from his clients. Under duress from his wife, Helen, he has taken his estranged family on vacation to Sanibel Island. Helen, whose life has grown to revolve around her soap operas, bridge games and excessive spending, has anything but time for her family. Subsequently, both their teenage boys are spoiled beyond measure with every toy and game manufactured. Spoiled with everything except love and time from their parents. Sadly, their big, beautiful Midwestern house resembles anything but a home. Carl Johnson and his wife, Marie, had moved to Sanibel decades ago to raise their family in the peaceful serene environment that island life has to offer; Carl as a fishing guide and Marie tending their family, garden and volunteer work. He has lived a long full life and is now old and retired. With his children having moved out of state and Marie having passed away to cancer last year, Carl is living the last years of his life with his fishing tackle and memories. Over the next six mornings, while catching and releasing fish, Carl and Richard share tales of love, losses, heroism, vanity, suicide and life. They share bait, fishing gear and poignant conversations. With each passing morning, something happens to Richard. He begins to realize how superficial and shallow his life has become and...
