BAD FORTUNE: A NOLA MARTIN MYSTERY

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book ***** Print on Demand *****.A dead gypsy wasn't in the cards. And dead gypsies tell no fortunes. A dead gypsy is not what Nola Martin expects to find when she visits a psychic for a reading, but she soon finds out the victim is not who she thought it was. But, who is she? And was she strangled or poisoned? Nola's fortune is about to be told, alright, but maybe she should have stayed home and read her own tea leaves and tarot. In Bad Fortune, the recently widowed Nola, a retired government analyst, feels compelled to solve the crime, perhaps to fill the void in her life. In doing so, she naively steps into the Romani world in the process—a culture steeped in stereotype. When she encounters the tall, dark and intriguing Alexei, a Roma antiques dealer with a master's degree, her preconceived notions begin to vanish. With several suspects in mind, Nola begins her independent investigation aided by her late husband's spirit, her best friend from high school and an overworked detective. Although her growing attraction to the handsome Alexei threatens to undermine her judgment, she is determined to identify the killer despite receiving bizarre messages and cryptic warnings.
