SUPER FLYERS: A PARENT GUIDEBOOK FOR AIRPLANE TRAVEL WITH CHILDREN (PAPERBACK)

Dr. Lori Baudino, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book provides the mindset, preparation and tools for parenting starting with airplanes and landing in daily life. With all that we know about parenting and helping our children succeed- I can empower parents to use these skills and take children to new heights exploring cultures, change and travel in the sky! Finally a full proof way to successfully prepare, engage and enjoy airplane flying with children. You know your holiday trip across the country to see the in laws, the summer vacation, the quick weekend wedding - we all fly but it s not always as enjoyable as we dreamed. The planning, packing, stress and fears are enough to drive even the most avid travelers to opt to stay on the ground. Dr. Lori Baudino playfully takes you through the steps needed to have the best flight. These inflight experiences will be the most useful strategies for all the travel through life stages with your children. You will apply strategies in a set environment, create opportunities to strengthen your relationship with the entire family and your children can join along with you. There are on average every day, more than 8 million people flying. You are not alone. We all can relate to children (yep, you were one once), we can all relate to the exhausted parent, unsure and trying our best. Now you can join with other parents to be a Super Flyer! Is it really possible to find enjoyment in trying new things with my children? Will my children really enjoy themselves? Will my child really listen to me? Will I be seen as a good enough parent? Will I get to have independent time? Will my children get...
