## SIMPLY SPIRITUAL (HARDBACK)

AUTHORHOUSE, United States, 2007. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Unfortunately, I am not one of your great mediums but I have been blessed to have seen into the spirit world. These inspired spiritual writings are diverse, to say the least. Some mediums have said it s because various guides wanted to have their say . I leave that for you to question. I have written fables and a few personal observations and poems of a light hearted nature. After all, we are alive and kicking, and to live without laughter must be like living without love. Spiritualism is not only about the hereafter, it encompasses love and compassion for others: The acceptance of differing opinions, providing they are morally good, and our gratitude for the life we have been given. If you take on board that you are spirit in an earth-bound body, that should be reason enough for you wanting to grow, and perhaps experience personal knowledge of spirit world which is a reward almost beyond belief. Our spiritual journey is an exploration of learning and discovery: Perhaps for most of us to know of our destiny, but on your way, don t be too serious, enjoy. My aim in writing this book is in the hope that someone, somewhere, will always refer to these pages and be able to smile or gain spiritual comfort. I hope that person is you.
