Pickwick Publications, 2017. Paperback. Condition: New. Workbook. Language: English . Brand New Book. Stevens Greek Workbook complements the Stevens Greek module in the widely-acclaimed Accordance software program as a workbook of exercises keyed to this text. Features include illustrative charts and diagrams, English derivatives for assigned vocabulary aiding memory, a remedial English grammar review, an answer key, and eighteen beautiful images distributed throughout the workbook offering historical vignettes to illustrate the New Testament world and its language. Students will be delighted that, early on, assignments apply rudiments of Greek grammar to Bible texts. Exposure to ancient artifacts illustrates the relevance of...
