TWIN CIRCUS: A FATHER S GUIDE TO MULTIPLES (PAPERBACK)

Twin Circus LLC, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Just as the long awaited family outing is about to exit the front door, all havoc suddenly breaks loose! #1 is throwing a tantrum, #2 is taking off his clothes that you just put him in, #3 just threw up all over that jumpy thing your wife said would not make them sick, and #4, well #4 is nowhere to be found! Where do you go from here? The first element of an effective parenting plan is a sense of humor. In *Twin Circus, A Father s Guide to Multiples*, Lackovich rewrites the parenting playbook by humorously tackling everyday challenges in the life of a parent with multiples. With patience, organization, and time-management - oh yeah, and a sense of humor - even the most explosive diaper change can be handled with finesse. *Twin Circus* is a book written with the ink of experience and answers those earth rattling questions: can I double park The Double-Wide, and can I survive a trip to The Happiest Place on Earth ? In addition to teaching the duties of the Ring Master in the *Twin Circus*, Lackovich teaches the art of accumulating spousal currency. That s the legal tender necessary for negotiating personal time with your spouse for that football game coming on at noon, a simple round of golf on your birthday, or a Happy Hour with your buddies. Whether you have multiple children or not, *Twin Circus, A Father s Guide to Multiples*, will tickle your funny bone and leave you wanting more. It s a ticket to the Greatest Show on Earth!.
