## EXODUS S THORN

Dog Ear Publishing, United States, 2014. Paperback. Book Condition: New. 234 x 157 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Should one man be allowed to control so much of the country, the planet, the solar system? Life has handed Easton Thorn a mixed bag. He was born with a keen intellect, yet he hasn't exactly made the most of it. He is treading water in his sometimes mind-numbing accounting job in the bowels of a large multinational corporation when he meets a friend and mentor, a man with a blueprint to the future that the corporation has ridiculed and ignored. Then fate steps in with a financial windfall, and suddenly, Easton Thorn is a billionaire. With the help of a beautiful young system engineer and a financial whiz, he has the chance to fulfill his own dreams as well as the dreams of his mentor. Easton and his team gather the best and brightest from every corner of the globe to break new ground in a myriad of technologies, filling in the pieces of a fantastic puzzle Easton has defined. If these three succeed, they will literally change the world. Money, technology, influence, and power attract the attention of governments, criminals, and even terrorists who try to block their path, wrestle control from them, or eliminate them completely.
