Drawn and Quarterly. Paperback. Book Condition: new. BRAND NEW, Moomin and the Sea, Tove Jansson, The Moomin family moves to a remote island for the sake of art"Another classic Moomin story reworked in full color, with a kid-proof but kid-friendly size, price, and format."""Moominpappa has committed to writing a Great Novel About the Sea, and so the whole family moves to a desolate island where Moominpappa becomes the lighthouse keeper. It soon becomes apparent that there are a few problems with the island: It's haunted, there's nowhere to enjoy a good cup of tea, and the rat family living in the transistor radio has strictly forbidden the Moomins from using the radio until the children have all grown up and moved out. Determined, the Moomins set about planting a rose garden, painting the beacon cheery colors, and finding other ways to make the lonely place their own. In the end, though, is a bleak lighthouse any place for a Moomin? Tove Jansson's flawless cartooning is brought to life in a whole new way within these pages. A delight for the whole family!.
