Minotaur Books, United States, 2011. Paperback. Book Condition: New. Reprint. 170 x 104 mm. Language: English . Brand New Book. At seven feet tall, Colorado rancher and Ute tribal investigator Charlie Moon is a larger-than-life figure and a force to be reckoned with, on and off the reservation. Hard times have come to Colorado, and Moon s ranch is feeling the pinch. Not so for Samuel Reed. He seems to have a special intuition when it comes to picking stocks, and claims to be able to remember the future, which gives him quite a leg up on Wall Street. So Reed is quite confident when he makes a wager with Moon s best friend, Granite Creek Chief of Police Scott Parris, that Parris can t keep him alive. Even when Reed doesn t offer any details beyond the date and time of his impending demise, Moon has a sixth sense that everything will turn out just fine until not one, but two men end up left for dead. Now it s up to Moon along with the help of his Aunt Daisy, an aged Ute shaman who can communicate with the spirit world to solve the case. Or die trying.
