Reviews

These kinds of book is every little thing and made me looking forward and much more. I really could comprehend every little thing using this published e publication. I am just very happy to explain how this is basically the finest ebook we have read during my very own lifestyle and might be he greatest ebook for ever.

(Pascale Marvin II)

THE BORDER TRILOGY: CITIES OF THE PLAIN NO. 3

Knopf Doubleday Publishing Group. Hardcover. Condition: New. Dust Jacket Condition: New. 1st Edition. Synopsis In this final volume of The Border Trilogy, two men marked by the boyhood adventures of *All the Pretty Horses* and *The Crossing* now stand together, in the still point between their vivid pasts and uncertain futures, to confront a country changing or already changed beyond recognition. In the fall of 1952, John Grady Cole and Billy Parham--nine years apart in age, yet with a kinship greater than perhaps they know--are cowboys on a New Mexico ranch encroached upon from the north, at Alamogordo, by the military. To the south, always on the horizon are the mountains of Mexico, looming over El Paso, Ciudad Juarez and all the cities of the plain. Bound by nature to horses and cattle and range, these two discover that ranchlife domesticity is compromised, for them and the men they work with, by a geometry of loss afflicting old and young alike, those who have survived it and anyone about to try. And what draws one of them across the border again and again, what would bind "those disparate but fragile worlds," is a girl seized by ill fortune, and a love as dangerous as it is inevitable. This story of friendship and passion is enfolded in a narrative replete with character and place and event--a blind musician, a marauding pack of dogs, curio shops and ancient petroglyphs, a precocious shoe-shine boy, trail drives from the century before, midnight on the highway--and with landforms and wildlife and horses and men, most of all men and the women they love and mourn, men and their persistence and memories and dreams. With the terrible beauty of *Cities of the Plain*--with its magisterial prose, humor both wry and out-right, fierce conviction and unwavering humanity--Cormac McCarthy has completed a landmark...
