Kensington Publishing, United States, 2000. Paperback. Book Condition: New. 172 x 107 mm. Language: English . Brand New Book. National bestselling author and acclaimed romance legend Shannon Drake is beloved by readers everywhere. Her contemporary romantic suspense novels, written under the name Heather Graham, have hit the New York Times bestseller list time and time again. Now, Shannon Drake delivers an extraordinary new series that began with *Come the Morning*. *Conquer the Night* is the second book in the magnificent Scottish saga of the Graham family -- the author's own clan -- from their origins in 12th-century Scotland to the adventures of the Grahams who traveled to the New World many centuries later. *Conquer the Night* is set against the backdrop of medieval Scotland -- a time of brutality, upheaval, and dangerous passions -- in which a man and a woman fight for a love that even a king's decree cannot forbid. His family murdered and his heart hardened by hate, Sir Arryn Graham had come to seek revenge against Kinsey Darrow for his bloody deeds against the Highland rebels. And he'd do it by claiming Darrow's bride, Kyra, for his own. But in the tangled gold of her hair and the emerald of her eyes, Arryn found a lady whose passion and courage were a match for his own.
