By Webster Wells

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from First Year Algebra In this text the authors have endeavored to present a course in algebra for the first year of high school which shall be simple, comprehensible to the students, and of high educational and mathematical value. They have made the solution of equations and problems the core of the course; they have emphasized the essentials, avoiding little-used complexities of algebra; they have taught new ideas inductively; they have emphasized thoughtful rather than mechanical solutions of exercises; they have tried to make the course maintain and increase the students efficiency in arithmetic; they have tried to make the course interesting by including varied problem material and historical notes, and valuable by including practical applications. The essential features of the course have been tried out in the classroom by many teachers. The text contains sufficient material to meet the needs of schools whose pupils have studied algebra before entering the high school; the topics have been arranged, however, so that a class may easily cover the essentials of the course in one school year. Attention is...
