Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, Ghettoside: Investigating a Homicide Epidemic, Jill Leovy, Dorothy L. Sayers, This is The International Bestseller - As Read On BBC RADIO 4. Why would you kill your neighbour? Based on the best part of a decade embedded with the homicide units of the LAPD, this groundbreaking work of reportage takes us onto the streets, inside the homes and into the lives of a community wracked by a homicide epidemic. Through the gripping story of one particular murder - of an eighteen-year-old boy named Bryant Tennale, gunned down one evening in spring for no apparent reason - and of its investigation by a brilliant, ferociously driven detective - a blond, surfer-turned-cop named John Skaggs - it reveals the true origins of such violence, explodes the myths surrounding policing and race and shows that the only way to reverse the cycle of violence is with justice.
