Reviews

It is one of the most popular pdfs. It really is full of knowledge and wisdom. It has been developed in an exceptionally easy way and it is just right after I finished reading through this publication by which it really altered me, altered the way in my opinion.
(Dr. Alexa Rogahn)

LOSING SMALL WARS: BRITISH MILITARY FAILURE IN THE 9/11 WARS (PAPERBACK)

Yale University Press, United States, 2017. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. This new edition of Frank Ledwidge s eye-opening analysis of British involvement in Iraq and Afghanistan unpicks the causes and enormous costs of military failure. Updated throughout, and with fresh chapters assessing and enumerating the overall military performance since 2011-including Libya, ISIS, and the Chilcot findings-Ledwidge shows how lessons continue to go unlearned. A brave and important book; essential reading for anyone wanting insights into the dysfunction within the British military today, and the consequences this has on the lives of innocent civilians caught up in war. -Times Literary Supplement.
