Some of them were brand new to eBay others have been selling for ten years or more now. Every one of them has a unique story about how they got started selling on eBay, and about what they expect to take away from it. Some have become instructors helping other people to start and operate successful online businesses. For me, eBay gave me extra money to buy new cars and a bigger house when I was working. After a corporate layoff in 2004, selling on eBay gave me the opportunity to build a strong and solid business of my own. Over the last year eBay has become my stepping stone to a new career in writing, and helping other people learn how to start selling on eBay. Discover ten tips that will help you grow your eBay business -...
