Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There is ever a class of writers who dearly delight in parting the veil that screens life and death, and reveling in the mysterious precinct beyond the grave. There is also, no doubt, a corresponding class of readers, and to those -The Phantom Caravan- will appeal. It has all the fascination of the occult, but is, besides, a very pretty and readable little sketch. The Wandering Jew, Caesar and Napoleon are principal figures, which are bound together through the medium of the transmigration of souls. The dream quality is ever present, and the ingenuity of plot construction, sufficient to insure interest. - The Pacific Monthly: A Magazine of Education and Progress, Volumes 7.
