

Social Justice in the U.S.-Mexico Border Region

By Lusk, Mark / Staudt, Kathleen

Condition: New. Publisher/Verlag: Springer Netherlands | This book provides a better understanding of life in this region. It examines a variety of examples of injustice and proposes a pathway to development. | The U.S.-Mexico Border Region is among the poorest geographical areas in the United States. The region has been long characterized by dual development, poor infrastructure, weak schools, health disparities and low-wage employment. More recently, the region has been affected by the violence associated with a drug and crime war in Mexico. The premise of this book is that the U.S.-Mexico Border Region is subject to systematic oppression and that the so-called social pathologies that we see in the region are by-products of social and economic injustice in the form of labor exploitation, environmental racism, immigration militarism, institutional sexism and discrimination, health inequities, a political economy based on low-wage labor, and the globalization of labor and capital. The chapters address a variety of examples of injustice in the areas of environment, health disparity, migration unemployment, citizenship, women and gender violence, mental health, and drug violence. The book proposes a pathway to development. | Section I - Introduction and Conceptual Framework.- Chapter 1. Social Justice in the U.S. - Mexico...

Reviews

Excellent electronic book and valuable one. Better than never, though i am quite late in start reading this one. I am very easily can get a delight of studying a written book.

-- Anastacio Kreiger DDS

This ebook is amazing. It typically will not price excessive. I discovered this pdf from my dad and i recommended this publication to learn.
