This is just one argument of just one creationism theory. Evolutionism is not the only theory of how the earth and every living being were created. People who believe in a supernatural higher being involved into the development of life claim that creationism is a science too. But if God created the universe to look old, though the Bible is an unquestioned truth: Is God a deceiver US creationists usually support a literal interpretation of the Bible, although even the Vatican itself claimed that the evolution theory by Darwin is compatible with the history of creation written in the Bible. (Pope Benedict XVI. , 2007) The following text will focus on the discussion between creationists and evolutionists in the USA. The two most common theories in the USA are Scientific Creationism and Intelligent Design Creationism. The...
