

Cyberwars

By Jean Guisnel

Basic Books (AZ). Paperback. Condition: New. 296 pages. Dimensions: 8.5in. x 5.4in. x 0.6in. To some a brand-new forum for the freedom of speech, the Internet is also the most up-to-date way to gather intelligence. Brilliant hackers like Kevin Mitnik modern-day pirates pose real security threats to government and industry. Cyberwars explores a dangerous new world where international terrorists plot their attacks and are tracked by secret service organizations on-line, drug traffickers do business and launder money, and electronic economic espionage is the order of the day. Examining efforts to police on-line communication and content, Guisnel assesses the implications of pervasive surveillance for the inherently democratic medium of the Internet. As these issues are the focus of ongoing debates in government and the private sector, Cyberwars couldn't be more timely. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.

Reviews

This publication could be worthy of a study, and superior to other. It was written extremely perfectly and beneficial. I am just easily could possibly get a delight of reading through a published pdf.

-- Prof. Bernie Torphy

I just started off reading this article ebook. It is actually written in basic words and not confusing. I am just very happy to let you know that this is the best ebook I actually have read through inside my individual daily life and can be the finest ebook for possibly.

-- Dayne Johns
