## Essentials of Development Economics (Paperback)

By Professor J Edward Taylor

ARC Light Books, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. RebelText: Essentials of Development Economics, by Ed Tylor with Travis Lybbert, is an alternative to traditional development economics textbooks. It was written as a compact book for an upper-division undergraduate development economics class, and it comes with its own living website. This book is unique in making cutting-edge development economics research from journal articles and other sources accessible to undergraduates. QR codes bring the internet into the textbook. You can also use the book and website as part of a self-paced, independent-study course or as a companion for graduate-level texts. We strive to present best practices and state-of-the-art methods for doing intermediate development economic work. The knowledge in these pages should poise anyone for further study or to venture out into the real world with essential development economic concepts and tools, along with a feel for the subject that is not found in other undergraduate texts. Taylor and Lybbert s exciting and relevant new development economics RebelText offers a creative and flexible alternative to traditional textbooks. RebelText: Essentials of Development Economics gives students a manageable set of textbook essentials and a dynamic website with current...
