# GCSE Computer Science for OCR Student Book with Cambridge Elevate Enhanced Edition (2 Years) (Mixed media product)

By David Waller

CAMBRIDGE UNIVERSITY PRESS, United Kingdom, 2018. Mixed media product. Condition: New. Student. Language: English . Brand New Book. A new series of bespoke, full-coverage resources developed for the 2016 GCSE Computer Science qualifications. Written for the OCR GCSE Computer Science specification for first teaching from 2016, this print Student Book and enhanced digital bundle is designed to help students master underlying computing principles and concepts, and develop their computational thinking, programming and problem-solving skills. Interactive worksheets consolidate students learning and rich digital content including animations help relate computer science to everyday life. This resource allows students to annotate text and add audio notes, and enables teachers to assess, track and report on students progress. Accessible online and on tablet devices through the Cambridge Elevate app (iOS and Android).

Reviews

This book may be really worth a read through, and far better than other. it was actually writtern extremely completely and valuable. I am just very easily will get a satisfaction of looking at a published ebook.
-- Lillie Toy

It is easy in read through easier to fully grasp. it had been writtern very completely and useful. I am pleased to let you know that here is the greatest book we have read during my personal life and could be he very best book for possibly.
