They bring the clarity in the life of the person by helping her to embrace the right choices from the options presented to her. A person with clarity generally has a set of personal principles or rules based upon which she lives her life. These principles define her actions in life, making her to commit for something while rejecting others. The clarity arising out of foundations improves her focus on actions, making them more efficient and effective. Not all foundations are right and help in getting success in life, instead they pull us down....
