In Search of a Family: A Story of an International Adoption takes the reader inside a personal journey through the unknowns of an international adoption. This true story takes place in the ex-Soviet bloc country of Ukraine. As they travel through this young, independent republic, Kevin and Ginger Carlisle encounter numerous obstacles that could derail their hopes of achieving their dream of creating a new family. Braving Ukrainian election tensions and protestors, heartbreaking events, financial concerns, and changing adoption policies, they navigate the emotional and psychological maze of the bureaucracy and physical logistics of an international adoption. An eleventh hour attempt by the children s family member jeopardizes their attempt in searching for a family. The Carlises endure the hardships of the language barrier and infrastructure but are able to uncover the little-known beauty of Ukraine and its people, all while placing their life in the United States on hold. As their destiny patiently waits, they keep reciting the mantra of all those who had come before them: Keep your focus on the goal of bringing home your children.
