Praise for In the House upon the Dirt between the Lake and the Woods "Onstage, it could be a densely allusive play by Sam Shepard or Thornton Wilder. Mr. Bell has written a gripping, grisly tale of a husband's descent into and ultimate emergence from some kind of personal hell." -The New York Times "It's hard to imagine a book more difficult to pull off, but Bell proves as self-assured as he is audacious. His prose, which manages to be both mournful and propulsive, is undeniable. Bell's novel isn't just a joy to read, it's also one of the smartest meditations on the subjects of love, family and marriage in recent years. the novel is a monument to the uniqueness of every relationship, the possibility that love itself can make the world better, though of course it's never easy." - NPR "Somber, incantatory sentences to hold you within [Bell's] dreamlike creation. This unique book leaves you with the haunting lesson that even if you renounce and cast away your loved ones, you can never disown the memory of your deeds." - The Wall Street Journal "A blood-soaked fable. In the House upon the Dirt between the Lake and the Woods provides us with a new, unstable literary element, something scavenged from the old, something bright and wet and vital." - The Globe and Mail "For readers weary of literary fiction that dutifully obeys the laws of nature, here's a story that stirs the Brothers Grimm and Salvador Dali with its claws. as gorgeous as it is devastating." -The...
