Invisible Aligners in
Orthodontics
Straighten teeth without braces

Book Condition: New. Publisher/Verlag: LAP Lambert Academic Publishing | Straighten teeth without braces | Sequential Plastic Aligner treatment is an exciting development in the field of orthodontics both for patients and clinicians. However aligners are not as simple to use as it may seem at first glance. As with most dental treatment, success or failure depends very much on case selection and treatment planning. These appliances offer great advantage of esthetics, oral hygiene, minimal chair time and can be considered...
