Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

SPEAK TO THE DEVIL

Audible Studios on Brilliance, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A new adventure of brotherhood and magic from beloved fantasist Dave Duncan. In the Kingdom of Jorgary, the days of feudal chivalry are fading as national armies are formed. But Ottokar Magnus is still baron, and his host of brothers include Anton, an ambitious young soldier, and Wulfgang, an amiable teenager. Unable to seek his fortune as a knight errant, Anton has enlisted with the royal Jorgarian hussars and taken Wulf along as his servant. There is magic in Jorgary, but it is regarded as Satanism, rituals performed by Speakers who are in contact with the Devil. The Speakers, though, believe that the Voices they hear belong to saints. Anton is not a Speaker, but Wulf is. Anxious to impress the court, Anton exhibits spectacular horsemanship at a royal hunt, with a little boost from Wulf. Two nights later he is dragged before Cardinal Zdenek, the king's chief minister. Zdenek offers him an earldom and anything else he could dream of if he will ride at once to a strategic fortress at Cardice and take command there. The count and his son have died, victims of both treason and witchcraft. The cardinal thinks that neighboring enemies are preparing to invade, using modern arms to capture the fort. Mortal resources alone will not suffice, but Zdenek knows that Anton's improbable jump at the hunt was aided by supernatural power. Anton wants nothing to do with this mission, but Wulf's Voices tell him that they should accept the charge. The result is a harrowing ride through limbo with astonishing results.
