

The Administration of Industrial Enterprises: With Special Reference, to Factory Practice (Classic Reprint) (Hardback)

Filesize: 2.33 MB

Reviews

A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.
(Mitchell Kuhn III)

THE ADMINISTRATION OF INDUSTRIAL ENTERPRISES: WITH SPECIAL REFERENCE, TO FACTORY PRACTICE (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Administration of Industrial Enterprises: With Special Reference, to Factory Practice In discussing physical equipment it has been necessary to skirt the borders of a vast field of technical knowledge, choosing such matter as the general executive should possess in his attempt to supervise the work of technical experts. With reference to administrative organization, the aim has been to bring the contributions of scientific management into relation with the general body of underlying principles of administration which are valid for all forms of joint action; and to do so by sketching the evolution of administrative practice rather than by a systematic review of pure principles. The relations of labor and capital have been handled with two leading purposes in mind, namely, to present the labor problem from the viewpoint of the employing manager and, second, to elaborate somewhat the meaning of the new philanthropy which aims to bring to the less favored classes a fuller measure of the rational objects of life, through the organized and normal processes of industry, rather than through extra-economic alleviative agencies. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
