T3P, United Kingdom, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The Chameleon in the Room provides practical strategies and tactics for the management of the risks that injure real businesses. Noting that it has become fashionable to import many of the risk management practices invented and utilised by financial institutions into the physical business sphere, the author identifies those that do not work well in the non-financial business context, and describes...
