HARBORWOOD: IS IT EVER TOO LATE FOR A SECOND CHANCE AT LOVE? (PAPERBACK)

Deep End Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Mark and Amy were fifteen when they fell in love, two kids lighting up the night in the salt air of the boardwalk in the beach town of Harborwood, New Jersey. Back then everything thing seemed possible, including Mark s future as a star baseball pitcher. Twelve years after high school, life hasn t quite worked out the way either of them had planned, leaving each drifting in their own dark seas: Mark s career derailed by injury and Amy recovering from a loveless marriage. After the funeral of his estranged father, Mark finds himself walking again along the boardwalk in Harborwood. But suddenly he must choose between the memories and the love of his past or a glamorous new woman in New York. Does young love last forever, or are some paths just not meant to be? Nicholas Sparks fans will relish this authentic story of young love and whether damaged hearts can float over even the highest waves.
