Excerpt from The Christmas Stocking: A Choice Collection of Charming Stories His father was a sea-captain, and It was a long, long time since any tidings of the absent sailor hidmother grew pale and careworn with weary watch ing, and the townspeople began to say among them selves that the Rebecca would never come back again. Harry remembered the day very well when the bark, btiilt of the timber hewn in the interior by the stalwart lumbermen - his father s own vessel - sailed for California on the long, stormy voyage round Cape Horn, and how proud he felt to see the sails fill to the breeze, as she swept through the waters gracefully and disappeared. The careless boy would often forget all about the sorrow weighing upon the household, when he was at play with his schoolmates, until he returned home to find grandfather searching the newspaper fdes for tidings of the lost vessel, while his mother and Aunt jane sat at their work.
