Normally writing RV tips for the full time RVer, the writer here has written a story about the fictional Marty and Lynn Smith family s purchase of a new minivan. Instead of the normal advice column format that is so common throughout the internet, he utilizes the story form to coincide with many families in today s economy that need and want to purchase a new car but haven t the experience to filter good information from all the misinformation available. The story may reflect each reader s life in some ways and makes the learning curve much more interesting than just another how-to book.
