UNDERSTANDING EDUCATION: A SOCIOLOGICAL PERSPECTIVE (PAPERBACK)

Polity Press, United Kingdom, 2009. Paperback. Condition: New. Language: English . Brand New Book. Who should be educated, when, by whom and how? What purposes should education serve? Why does education matter? These fundamental questions of value are not always seen as central to the sociology of education. However, this book argues that they are pivotal and provides a sophisticated and engaging introduction to the field that is designed to open up these important debates. It draws attention to the...
