## ABOUT ARACHNIDS: A GUIDE FOR CHILDREN (PAPERBACK)

Peachtree Publishers, 2006. Paperback. Condition: New. John Sill (illustrator). Language: English . Brand New Book. Young readers will love this first glimpse into the creepy, crawly, complex world of spiders, scorpions, mites, and ticks in this latest title in the About series. Author Cathryn Sill explains in easy-to-understand language what arachnids are, how they live, what they eat, and how they reproduce. Wildlife painter John Sill's detailed realistic illustrations reflect the diversity of the arachnid population--from the poisonous Brown Recluse Spider to the innocuous Giant Desert Hairy Scorpion--and present each in its natural habitat. An appendix, which provides further detail on the arachnids portrayed, will inspire young readers to learn more about these fascinating, often misunderstood creatures.
