

Vanishing Point (Paperback)

By William Trowbridge

Red Hen Press, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book. Vanishing Point concerns memory, cognition, history, and morality, as experienced through the process of aging and as seen largely through a seriocomic lens. The range is wide, from arrestingly dark to downright hilarious--sometimes both at once--and all stages in-between. The poet Jim Daniels has said about this book, With profound wit and humility, with a purity and clarity of language that defines our best poetry, [Trowbridge] takes us on a wild ride and gives us our money's worth. The last section contains poems from Trowbridge's graphic chapbook Oldguy: Superhero, with several new poems added to that series.
