GETTING STARTED WITH MUSIC PRODUCTION: HAL LEONARD RECORDING METHOD (MUSIC PRO GUIDES)

Hal Leonard Books, 2015. Soft cover. Condition: New. Getting Started with Music Production is for anyone interested in developing a more efficient and creative approach to music production, and it's structured so thoughtfully that it can be used as a textbook for a modular, activity-oriented course presented in any learning environment. As an added bonus, the text and accompanying examples are built around the free version of Studio One from PreSonus, so no matter what their musical or technical experience level, students don't need to purchase expensive recording software to benefit from the presented material. The fundamental concepts and techniques delivered in this book apply seamlessly to any modern DAW. The author includes several supporting video tutorials that help further explain and expand on the instruction in the text. All supporting media is provided exclusively online, so whether you're using a desktop computer or a mobile device, you'll have easy access to all of the supporting content.
