PRACTICAL DIGITAL EVIDENCE - PART I AND PART II

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book provides detailed but simple explanations that will assist the reader in understanding the technological processes accompanying our lives. Alongside these explanations the book presents forensic analysis of the factual case, examines the issue through legal eyes - including comparative law - and proposes various alternatives for an appropriate legal solution. This book is...
