By Jim Joseph

Amacom, 2010. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There are literally hundreds, maybe thousands, of strategies you could use to market your products or services. But unless those strategies are seamlessly integrated to create a lasting impression and a deep hold on your customer, your brand will never quite rise above the competition, and your business or service never shine like it should. Whether it s online, offline, or at the retail level, The Experience Effect shows you how to link your advertising, packaging, website, messaging, and more to create a memorable and immensely appealing experience for customers. Packed with astute assessments of many of the brands that surround us in daily life-Pottery Barn, The Biggest Loser, Keebler, Marriott, and others-this clear, practical book helps you recognize the immense impact of branding and gives you deceptively simple, highly effective strategies for creating a consistent, compelling, and lasting experience effect.
